Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Rogersville Drinking Water System Improvements project in Fiscal Year 2025. The entity to receive funding for this project is the Town of Rogersville, located at 50 Wheeler Street Rogersville, AL 35652. The funding would be used to make improvements and expand capacity of the Town's drinking water system to meet the needs of residents. The project is an appropriate use of taxpayer funds because it will ensure that all current and future residents are provided with reliable access to the town's water supply.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dale Strong
Member of Congress
