The Honorable Rosa DeLauro

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Additional Lanes on SR-53 from Taurus Drive to Harvest Road project in Fiscal Year 2025. The entity to receive funding for this project is the Alabama Department of Transportation, located at P.O. Box 303050 Montgomery, Alabama 36130. The funding will allow for the completion of additional lanes and improvements on SR-53 from Taurus Drive to Harvest Road, improving traffic flow and alleviating safety concerns. The project is an appropriate use of taxpayer funds because it would mitigate safety and congestion concerns posed by the lack of turn lanes that currently exist.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dale Strong
Member of Congress
