The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Slaughter Road Additional Lanes project in Fiscal Year 2026. The entity to receive funding for this project is the City of Huntsville, Alabama. The funding would be used to add additional lanes for Slaughter Road, which serves as a major north-south corridor connecting U.S. Highway 72 and AL 20 and connects multiple municipal jurisdictions, including the City of Huntsville, the City of Madison, and Madison County. The project is an appropriate use of taxpayer funds because it will provide local and regional benefits by delivering adequate capacity, reducing travel times, and improving safety.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
