Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hartselle Police Department Public Safety Equipment Modernization project in Fiscal Year 2026. The entity to receive funding for this project is the Hartselle Police Department, located at 150 Chestnut Street NW, Hartselle, Alabama 35640. The funding would be used to upgrade and replace aging radio systems to ensure they are able to provide essential public safety operations within the community. The project is an appropriate use of taxpayer funds because it will improve public safety throughout the City of Hartselle and ensure the Department's ability to respond to the needs of the community.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale Strong
Member of Congress
