Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jeff Road Widening Project in Fiscal Year 2027. The entity to receive funding for this project is Madison County, located at 266-C Shields Road, Huntsville, Alabama 35811. The funding would be used to widen two critical sections of Jeff Road: from Douglass Road to Kelly Spring Road, expanding it from a 2-lane to a 5-lane roadway with curb and gutter, and at the intersection of Jeff Road and Highway 53, adding additional through and turn lanes, significantly reducing congestion during morning and evening rush hours and supporting continued economic growth across the region. The project is an appropriate use of taxpayer funds because it will deliver substantial local and regional benefits by increasing road capacity, decreasing travel times, and enhancing safety standards.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
