Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lawrence County Road Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Lawrence County Commission, located at 12001 Hwy 157, Moulton, Alabama, 35650. The funding would be used to resurface deteriorated roadway sections, replace failing culverts, and refurbish roadways on Lawrence County Road 434, County Road 700 (Cooperage Way), and County Road 222, supporting an essential transportation corridor that plays a vital role in safety and economic development, helping alleviate traffic congestion. The project is an appropriate use of taxpayer funds because it ensures these routes remain reliable, efficient, and safe for the region.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong  
Member of Congress
