Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Public Safety Communications Upgrade project in Fiscal Year 2027. The entity to receive funding for this project is the North Alabama Multi-Agency Crime Center, located at 2110 Clinton Ave W, Huntsville, Alabama 35801. The funding will be used to fully modernize and enhance critical communications equipment and radio systems, allowing law enforcement to better respond to emergency situations throughout the region. The project is an appropriate use of taxpayer funds because it will improve public safety and support effective law enforcement operations in North Alabama.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968. (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
