Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Rogersville, AL Elevated Water Storage Tank project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Rogersville, located at 50 Wheeler Street, Rogersville, Alabama 35652. The funding would be used to construct a new elevated water storage tank. The new water tank is of paramount importance to ensure the Town has reliable access to a water supply. The project is an appropriate use of taxpayer funds because the Town does not have the storage capacity to currently serve customers, maintain consistent water pressure, or provide adequate fire protection of the service area.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
