Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Section Water Treatment Plant Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the Waterworks Board of Section and Dutton, located at 72 Dutton Road, Section, Alabama, 35771. This project is an appropriate use of taxpayer funds because it would upgrade a critical water treatment plant, facilitate long-term sustained compliance with national drinking water regulations, and meet current customer demands.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
