Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the U.S. Hwy 231/431 and Hwy 72 Extension from SR-255 Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Huntsville, located at 305 Fountain Circle, Huntsville, Alabama, 35801. The funding would be used for advancing a key component of a larger initiative to connect the northern and eastern regions of the city by extending State Route 255 from U.S. Highway 231/431 to County Road 93, providing commuters with safer, more efficient travel and supporting continued economic growth across the region. The project is an appropriate use of taxpayer funds because it will deliver substantial local and regional benefits by increasing road capacity, decreasing travel times, and enhancing safety standards.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
