Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$960,000 for Limestone County Bethel Road Widening and Resurfacing. The entity to receive funding for this project is the Limestone County Commission, located at 310 W Washington Street Athens, AL 35611. The funding would be used for the widening, resurfacing, and drainage improvements of approximately 3.1 miles of Bethel Road from the intersection of Mooresville Road to AL Hwy 251. The project is an appropriate use of taxpayer funds because it will help improve the safe flow of increased traffic on this major west to east Collector Route in northeast Limestone County.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dale Strong
Member of Congress
