The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$240,000 for City of Scottsboro Public Safety Vehicles in fiscal year 2024. The entity to receive funding for this project is the City of Scottsboro, located at 316 Broad Street Scottsboro, AL 35768. The funding would be used to purchase 5 patrol vehicles to replace current patrol vehicles which are approaching the end of their operational life. The project is an appropriate use of taxpayer funds because these replacement vehicles would improve public safety throughout the City of Scottsboro.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dale Strong  
Member of Congress
