Committee on Appropriations

Dear Chair Granger and Ranking Member DeLauro:

I am requesting \$4,000,000 for Additional Lanes SR-2 (U.S. 72) from County Line Road to Providence Main Road in fiscal year 2024. The entity to receive funding for this project is the Alabama Department of Transportation, located at P.O. Box 303050 Montgomery, AL 36130. The funding would be used to add a total of six additional lanes from County Line Road to Providence Main Road. The project is an appropriate use of taxpayer funds because it would assist in alleviating congestion throughout the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Dale Strong  
Member of Congress
