Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Triana Sanitary Sewer Improvement project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Triana, located at 640 Sixth Street, Triana, Alabama 35756. The funding would be used to make sanitary sewer upgrades to ensure the sewer system is able to function and provide service to residents in the event of power outages. The project is an appropriate use of taxpayer funds because improvements to the sewer system will greatly reduce the likelihood of a sanitary sewer overflow.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
