Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Trinity PD Public Safety Equipment Modernization project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Trinity, located at 35 Preston Drive, Trinity, Alabama 35673. The funding would be used to purchase and upgrade vehicles and equipment, including 2 patrol vehicles, upgraded evidence software, handheld radios, and other incident-response equipment. The project is an appropriate use of taxpayer funds because it will improve public safety and enhance communication and enforcement throughout the community.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale Strong
Member of Congress
