Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wall Triana Widening Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Madison, located at 100 Hughes Road Madison, Alabama 35758. The funding would be used for expanding the existing two-lane roadway to three lanes, adding a continuous center turn lane across two phases totaling approximately 2.6 miles. The project is an appropriate use of taxpayer funds because it is an investment in critical infrastructure that would benefit public safety and help address the rapid economic and population growth the City of Madison is currently experiencing.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dale W. Strong
Member of Congress
